## HISTORY OF THE STATE ELECTION COMMISSION

The State Election Commission became a separate state agency on January 1, 1969. It had formerly functioned as a division of the office of Secretary of State. It was the feeling of the General Assembly that voter registration and the administration of elections were matters that should be removed from possible influence of partisan, elected officials and placed under the custody of a non-elected, bipartisan board or commission. By the law which created the Election Commission, it was required to be composed of at least one member of the majority political party represented in the General Assembly and at least one member of the largest minority political party represented in the General Assembly.

The State Election Commission operates under authority granted by 1968 Act No. 955, which is codified as Sections 23-30, et. seq., of the 1962 South Carolina Code of Laws, as amended.

## ORGANIZATION OF THE STATE ELECTION COMMISSION

### I. ADMINISTRATION

The functions of the Election Commission are administered by a five-member commission, which meets monthly in Columbia, and by an executive director who is the chief administrative officer of the agency. Policy, procedures and rules governing the various functions of the Commission are set by the election commissioners and carried out by the executive director. The executive director employs and maintains a competent working staff to assist him in carrying out his duties. During statewide general election years, it is necessary to employ additional personnel in order to carry out the increased responsibilities of the Election Commission at that time.

### II. CENTRAL VOTER REGISTRATION SYSTEM

The Election Commission is the coordinating center of South Carolina's computerized system of voter registration. All forty-six (46) counties report new registrations and registration changes to the central office, where a computer file is built and from which are printed new lists of registered voters for every election that is held in the State — statewide,

county, municipal or other. This system is responsible for removing from the rolls of voters those persons who have died, moved, been convicted of certain crimes or otherwise become ineligible as electors. In this regard, reports must be obtained from other federal, state and local agencies and compared with the computer files. Detailed records and statistics are maintained on the number of registered voters in each county and precinct of South Carolina. Also, a voter history file is maintained on every election held in South Carolina.

All forms and materials used by the central office and the county boards of registration for voter registration are printed and paid for by the Election Commission.

The central system also provides as a public service the sale of precinct lists of registered voters at a reasonable cost to any registered elector.

## III. AID TO COUNTIES

The Election Commission is charged by law with the responsibility of disbursing to all counties a state supplemental appropriation to aid in keeping the board of registration office open during normal courthouse hours. The amount received by the counties is based upon their respective populations.

## IV. ELECTIONS

A. Office of Elections
The State Election Commission is the chief election office for the conduct of general and special elections.

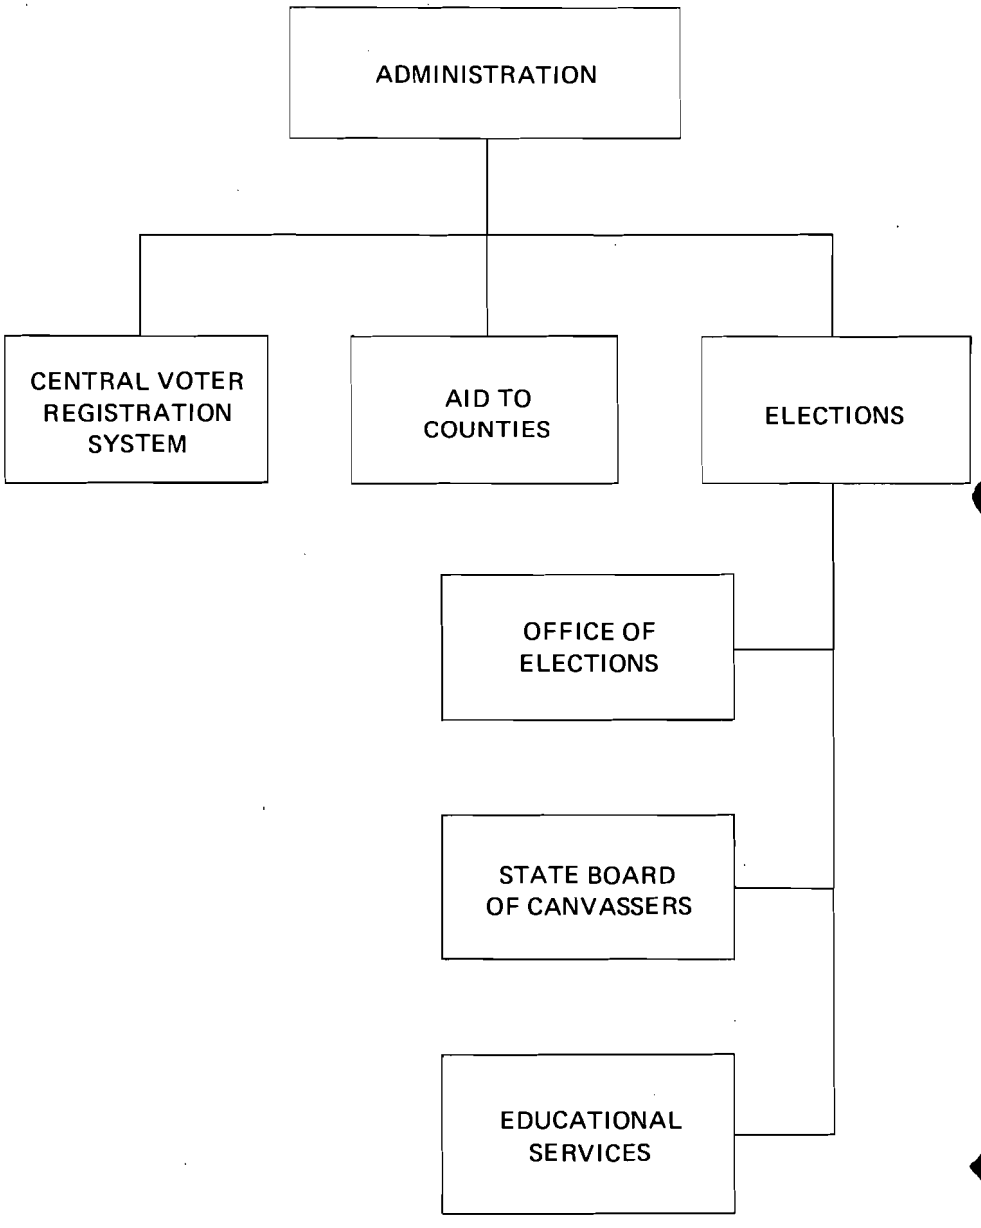

This office prints and distributes for statewide general elections and countywide special elections all ballots, forms and other materials necessary to conduct such elections for Presidential Electors, State Officers, United States Senators, Members of Congress and Constitutional Amendments.

B. State Board of Canvassers
After the conclusion of state and county general elections, the five commissioners of the Election Commission act as the State Board of Canvassers. The Board certifies the results of elections and hears appeals and protests arising in such elections.

C. Educational Services

The State Election Commission plans to conduct a comprehensive training program for election officials throughout South Carolina on a continuing basis and to provide needed information to members of the public concerning election processes and procedures in their State.

## STATE BOARD OF CANVASSERS

### Meeting – November 11, 1970

The State Board of Canvassers met in the offices of the State Election Commission at 11:00 a.m., November 11, 1970. Present were:

G.P. Callison; Chairman, Mrs. Martha C. Chapman; Ernest A. Finney, Jr.; Edgar L. Morris, Mrs. Margaret S. Townsend and James B. Ellisor, Executive Director of the State Election Commission.

Mr. Callison opened the meeting by asking Mr. Ellisor how many counties had certified the results of the election held on November 3, 1970 to the State Board of Canvassers.

Mr. Ellisor explained to the Board that his office has received Statements and Return of Votes from eighteen counties, as follows:

Abbeville, Calhoun, Dillon, Dorchester, Edgefield, Florence, Hampton, Lee, Lexington, McCormick, Marlboro, Newberry, Richland, Saluda, Spartanburg, Union, Williamsburg and York.

Mr. Callison inquired if there had been any protests filed in any races in the eighteen counties from which these returns had been received. Mr. Ellisor replied that no protests had been received.

There being no protests, the Board then examined the Statements and Return of Votes for all offices and constitutional amendments from the above eighteen counties and certified the results as complete and correct. The candidates for all county and less than countywide offices who received the highest number of votes in the above eighteen counties were then declared elected and certified as such to the Secretary of State.

It was decided that the next meeting would be held at 9:30 a.m. on November 17, 1970 to canvass the remainder of the results of the general election held on November 3, 1970.

There being no further business the meeting was recessed.

STATE OF SOUTH CAROLINA)
) STATE BOARD OF CANVASSERS
COUNTY OF RICHLAND )

Present: G.P. Callison, Chairman; Martha C. Chapman; Ernest A. Finney, Jr.; Edgar L. Morris; Margaret S. Townsend and James B. Ellisor, Executive Director of the State Election Commission.

The State Board of Canvassers met in the office of the State Election Commission at 9:30 A.M., November 17, 1970.

The meeting was called to order by Mr. Callison.

Mr. Callison asked Mr. Ellisor to inform the Board of any matters to be taken up.

Mr. Ellisor explained that a protest had been received from Williamsburg County and gave the Board the following totals:

Result of first count: Carter — 4,289 votes
Rowell — 4,338 votes

Black River Precinct
Carter — 76 votes
Rowell — 32 votes

Result of recount: Carter — 4,116 votes
Rowell — 4,242 votes

Black River Precinct
Carter — 57 votes
Rowell — 53 votes

Mr. Ellisor stated that Mr. Ernest V. Carter wrote a letter in the form of a protest addressed to the South Carolina Election Commission Chairman, Columbia, South Carolina and in accordance with law the letter was served on SLED within the time required by statute. SLED thereafter served copies with the State Board of Canvassers. Copies of this letter were also furnished to the local Sheriff's office and he has served copies to all parties involved.

Mr. Ellisor then read the protest to the Board. He also told the Board that he

had the box which contained the Black River Precinct ballots and that it was sealed and locked.

After discussion by the Board the following motion was made by Mr. Morris:

The State Board of Canvassers has considered the appeal of Mr. Ernest V. Carter in connection with his protest of the count of the Williamsburg County Board of Canvassers.

The protest submitted is refused for the reason that there has been no specification as to irregularities or grounds of appeal set forth. This Board is bound by the facts as found by the Williamsburg County Board of Canvassers.

As an appellate body we can only consider those protests and appeals which specify the irregularities and grounds of appeals in accordance with provisions and grounds therefor as required by Section 23-453.2, et.seq. 1962 South Carolina Code of Laws. It is the finding of the Board that the appeal is denied.

The above motion was seconded by Mr. Finney and approved unanimously.

There being no further protests or appeals to be heard, the Board declared elected candidates in all statewide, congressional and district offices voted on at the general election on November 3, 1970. The candidates for all county offices in the remaining twenty-eight (28) counties not received at the previous meeting of the Board were declared elected. All candidates declared elected for statewide, congressional, district and county offices were, thereafter, officially certified as elected to the Secretary of State of South Carolina.

Results in these twenty-eight (28) counties for the vote on the constitutional amendments were certified to as correct. All statewide constitutional amendments (article by article), statewide constitutional amendments and local constitutional amendments (voted on statewide) were voted on favorably by the electorate at the November 3, 1970 general election.

There being no further business to conduct as the State Board of Canvassers, the meeting of the Board was officially adjourned.

STATE OF SOUTH CAROLINA)
) STATE BOARD OF CANVASSERS
COUNTY OF RICHLAND ) MINUTES

Present: G.P. Callison, Chairman; Edgar L. Morris; Martha C. Chapman; Ruben L. Gray; Margaret S. Townsend and James B. Ellisor, Executive Director.

The State Board of Canvassers met in the offices of the State Election Commission at 10:00 a.m., Thursday, November 16, 1972.

Mr. Callison opened the meeting by expressing his delight in having Mr. Ruben L. Gray as a new member of the State Election Commission.

Mr. Callison advised the Commissioners that the State Board of Canvassers were meeting today in order to canvass the county returns of the general election held on November 7, 1972 and to perform ministerial duties as such. In this matter of county offices where there is an appeal, Mr. Callison stated that the Board cannot conduct a hearing until after canvassing the returns. He then turned the meeting over to Mr. Ellisor.

Mr. Ellisor advised that the first order of business would be to canvass the results of the election in the Eighth Senatorial District. He reported that the returns were in from the five counties in the Eighth Senatorial District — Aiken, Bamberg, Barnwell, Edgefield and Lexington and that no protests had been filed.

It appears on the returns from Senatorial District No. 8 in the race for State Senator, Seat No. 2, between Michael L. Laughlin, Charles I. Queen and John E. Brannon, a vote as follows was shown:

For Mr. Laughlin, 30,374; for Mr. Queen, 29,982; for Mr. Brannon, 2,710.

Mr. Ellisor advised that when the total difference in the vote between the apparent winner and the next highest man is less than one percent, under Section 23-476.3 of the 1962 South Carolina Code of Laws as amended, the law requires that a mandatory recount be conducted.

Mr. Ellisor advised the Commissioners that in Senatorial District No. 8, the total vote cast for Senate Seat No. 4 was 65,182. The difference between the votes received by Jimmy Martin and John Land Johnson is 942 votes, which

is more than one percent of the total votes cast for this office and does not in any way come under the mandatory recount provision.

Mr. Ellisor said that, with the Commission's permission, he should like to read to them two letters dated November 10, 1972 written by Mr. John Land Johnson, one of which was addressed to him, and the other to Mr. James Webb, Chairman of the Lexington County Election Commission, requesting that a recount be conducted for Senate Seat No. 4 and listed as a basis for the recount the following reasons:

1. Poll managers were instructed incorrectly in Lexington County on how to determine a valid and invalid ballot.

2. Since a recount is going to be conducted for two other candidates in the same district race, it would not be much more trouble to count votes for another seat.

3. The ballots for the Swansea precinct were "missing" for a period of seven hours . . . did not show up until 21 hours after the polls closed.

Mr. Ellisor told the Commissioners that he had an opinion from the Attorney General's office written to the Governor dated November 14, 1972 advising that, "Nowhere in the election Law is a board or committee vested with authority to order a recount when the margin involved is greater than one percent."

Mr. Callison said that as Chairman of the Commission he wished to make this statement. "At this time, the Commission is not in a legal position to order a recount. Under Section 23-476.3, the Commission is without authority to grant a recount if the total difference in the vote is more than one percent. At this time, we cannot order a recount as we are not authorized by law to do so."

Mr. Morris moved that an appropriate letter be written to Mr. Johnson outlining that, according to Section 23-476.3 of the 1962 South Carolina Code of Laws, the apparent difference is more than one percent and we cannot, at this time, order a recount. However, the protest procedures are set forth in the Code and if candidates desire to proceed along that basis, it is open to them.

Mrs. Townsend seconded the motion and it was unanimously adopted.

Mr. Ellisor advised the Commissioners that based upon the certifications made by the respective county election commissions in Senatorial District No. 8, Mr. Jimmy Martin should be declared elected.

Mr. Morris made a motion that Mr. Jimmy Martin be declared elected to Senate Seat 4, Senatorial District No. 8.

Mr. Gray seconded the motion and it was unanimously adopted.

Mr. Ellisor advised that a specific date and time should be set for the recount to commence in Senatorial District No. 8 for Senate Seat No. 2 in order that it be uniform in every county.

Mr. Morris moved that a recount be ordered in Senatorial District No. 8, Seat No. 2 to commence at 10:00 a.m., Monday, November 20, 1972 and that the executive director be directed to prepare the necessary order for the signature of the chairman and members of the Board to be distributed to each county election commission and each respective candidate.

Mrs. Chapman seconded the motion and it was unanimously adopted.

Mr. Morris moved that the returns as certified to the State Board of Canvassers by the county election commissions in Aiken, Bamberg, Barnwell, Edgefield and Lexington Counties be certified as complete and correct with the exception of Senate Seat No. 2.

Mrs. Townsend seconded the motion and it was unanimously adopted.

Mr. Ellisor reported that the returns were in from the following County Boards of Canvassers, appeared to be complete and no protests had been filed:

Abbeville, Allendale, Beaufort, Berkeley, Calhoun, Clarendon, Colleton, Dillon, Georgetown, Greenville, Greenwood, Horry, Kershaw, Lancaster, Laurens, McCormick, Marion, Marlboro, Spartanburg, Newberry, Oconee, Orangeburg, Pickens, Saluda, Sumter, Union and Williamsburg.

The State Board of Canvassers canvassed the returns from the above counties and certified them as complete and correct.

The Order for the recount in Senatorial District No. 8 was read and approved by the State Board of Canvassers.

The meeting of the State Board of Canvassers was then recessed until 4:30 p.m.

At 4:30 p.m., Mr. Callison opened the meeting by stating that the State Board of Canvassers now reconvenes and directed Mr. Ellisor to proceed.

Mr. Ellisor advised that we now have all the official returns in from Richland, Chester and Fairfield Counties. It appears on the returns from Senatorial District No. 7, Senate Seat No. 1, between Walter J. Bristow, Jr., J. Lewis Cromer and Samuel T. Sanders, Jr., a vote as follows was shown:

For Mr. Bristow, 32,522; for Mr. Cromer, 32,485; for Mr. Sanders, 2,950. Total vote cast for all candidates 67,957.

Mr. Ellisor stated that one percent of the total vote is 680 votes. He said that the difference between Mr. Bristow, the apparent winner, and Mr. Cromer is 37 votes, which is within the one percent mandatory recount provision in Section 23-476.3 of the 1962 South Carolina Code of Laws, and that we have no alternative other than to order a recount of the votes in this race.

Mr. Morris moved that an order be issued by the State Board of Canvassers and that the executive director prepare the order and make the necessary arrangements for the recount in each of these three counties and that the order be prepared and issued immediately.

Mrs. Townsend seconded the motion and it was unanimously adopted.

Mr. Morris made a motion that the State Board of Canvassers approve the returns received from Chester and Fairfield Counties as complete and correct except for Senate Seat No. 1.

Mrs. Chapman seconded the motion and it was unanimously adopted.

Mr. Gray moved that the State Board of Canvassers certify as complete and correct the official returns received from Richland County with the exception of the House race involving Mr. Troy Hyatt, Mr. Robert E. Kneece and Mr. Bernard Manning and Senate Seat No. 1.

Mr. Morris seconded the motion and it was unanimously adopted.

The meeting was then recessed until Monday, November 20, 1972 at 11:00 a.m.

November 20, 1972

Mr. Callison called the meeting to order as the State Board of Canvassers.

The State Board of Canvassers then canvassed the returns from the following counties: Charleston, Cherokee, Chesterfield, Darlington, Florence, Hampton, Jasper, Lee and York and certified them as complete and correct in all respects.

The meeting was then recessed subject to call of the Chair this afternoon.

Mr. Callison called the meeting to order at 7:30 p.m.

The State Board of Canvassers canvassed the returns from Dorchester and Anderson Counties and certified them as complete and correct in all respects.

There being no further business, the meeting was recessed until Wednesday, November 22, 1972.

November 22, 1972

The State Board of Canvassers reconvened on Wednesday, November 22, 1972 at 11:00 a.m. A hearing was held by the State Board of Canvassers in the appeal from Aiken County in the matter, *John D. Lowery, Appellant v. Irene Rudnick — House of Representatives.* Arguments were made on behalf of Mr. Lowery and Mrs. Rudnick by their respective counsel, Mr. F. Glenn Smith and Mr. Dalton Watkins. The arguments and proceedings of the hearing were recorded by an official reporter. After the hearing was concluded, Mr. Callison advised on behalf of the State Board of Canvassers that the Board would take the matter under consideration and issue its order at the next scheduled meeting of the State Board of Canvassers. Each member of the Board was given a copy of the transcript of the hearing held by the Aiken County Board of Canvassers in the Lowery Protest from which this appeal was taken. The members were requested by Mr. Callison to review this record prior to the next meeting of the Board.

After the hearing, the State Board of Canvassers continued with their regular meeting.

Mr. Callison called the meeting to order and asked Mr. Ellisor if he had

received the official returns of the recount ordered in Senatorial District No. 8.

Mr. Ellisor advised that the returns had been received and reflected the following vote: Michael Laughlin 31,327; Charles I. Queen, 30,412; and John Brannon, 2,694.

Mr. Ellisor passed around copies of the official returns of the recount as certified by the County Boards of Canvassers in Aiken, Bamberg, Barnwell, Edgefield and Lexington Counties.

The State Board of Canvassers certified Mr. Laughlin as elected to Seat 2, Senatorial District No. 8.

Mr. Callison asked Mr. Ellisor if he had received the certified returns of the recount in Senatorial District No. 7, Seat No. 1. Mr. Ellisor reported that the returns had been received and reflected the following total vote cast:

Chester County—Walter J. Bristow, Jr., 4,329; J. Lewis Cromer, 2,348; Samuel T. Sanders, Jr., 52.

Fairfield County—Walter J. Bristow, Jr., 3,408; J. Lewis Cromer, 1,485; Samuel T. Sanders, Jr., 86.

Richland County—Walter J. Bristow, Jr., 24,835; J. Lewis Cromer, 28,711; Samuel T. Sanders, Jr., 2,791.

The total vote cast for each candidate is Bristow, 32,572; Cromer 32,544 and Sanders, 2,929. The difference between the apparent winner and the next highest man is 28 votes.

Mr. Ellisor advised that all returns appear to be in order and properly attested to by each of the respective county boards of canvassers in Chester, Fairfield and Richland Counties.

The State Board of Canvassers then certified the returns from the above counties.

The meeting was then recessed until Monday, November 27, 1972 at 11:00 a.m.

November 27, 1972

Mr. Callison called the meeting to order as the State Board of Canvassers. The Board proceeded to decide the appeal from Aiken County in the matter of *John D. Lowery vs. Irene Rudnick.*

The official returns of the recount in this race for House of Representatives reflected that Mrs. Irene Rudnick received 12,872 votes and the Appellant received 12,859 votes.

The State Board of Canvassers examined the transcript of record from the hearing of this matter by the Aiken County Board of Canvassers and reviewed the arguments made by counsel for both parties at the hearing before the State Board of Canvassers on November 22, 1972.

Mrs. Chapman made a motion that the eighteen votes of those voters whose names were not on the official registration lists not be counted due to the failure of such voters and managers of the election to comply with the provisions of Sections 23-100 and 23-400.51:1 of the 1962 South Carolina Code of Laws.

Mrs. Townsend seconded the motion and it was unanimously adopted.

Mr. Morris made a motion that the four challenged ballots not be counted for those voters who attempted to vote in person, but who did not obtain a written certification from the County Election Commission that previous absentee ballots sent to them had been returned to the Commission unmarked as required by law in Section 23-450.3 of the 1962 South Carolina Code of Laws.

Mrs. Townsend seconded the motion and it was unanimously adopted.

The Commissioners directed that the ten ballots of voters whose ballots were challenged and the challenger or witnesses on behalf of the challenger did not appear at the first meeting of the County Board of Canvassers held on Thursday, November 9, 1972, be immediately counted by the Aiken County Board of Canvassers and the votes added to the totals of the respective candidates.

The State Board of Canvassers declared Mrs. Irene Rudnick elected inasmuch as the ten votes ordered to be counted would not affect the ultimate

outcome of the election even should all ten votes be added to the vote totals of the appellant, John D. Lowery.

Mr. Ellisor was directed to prepare the Order for the State Board of Canvassers.

Mr. Ellisor passed around copies of the Notice of Protest in Senatorial District No. 7, Seat No. 1, filed by William F. Able, Attorney for J. Lewis Cromer.

Mr. Callison inquired if the protest had been filed by noon five (5) days after the Board declared the results of the recount on November 22, 1972.

Mr. Ellisor stated that it was filed at 10:50 a.m., November 27, 1972, which is within the five (5) day time period.

The State Board of Canvassers discussed the details concerning the case and ordered that a hearing be set for December 7, 1972 at 10:00 a.m. Mr. Ellisor was directed to prepare the Notice of Hearing and to make the necessary arrangements.

Mr. Ellisor advised the State Board of Canvassers of a protest and request for a recount received from Mr. W. Larry Sauls, candidate for the House in Aiken County, and passed around to them three copies of affidavits dated November 17, 1972, concerning alleged irregularities in the election. Mr. Ellisor was instructed by the State Board of Canvassers to reply to Mr. Sauls' protest that these are matters that should be taken up with the County Board of Canvassers.

The State Board of Canvassers then certified the results of the vote on the Constitutional Amendments, Article by Article, Statewide and Local Voted on Statewide.

The meeting was then recessed until December 7, 1972, subject to call of the Chair.

The Board of State Canvassers reconvened on December 7, 1972 to conduct a hearing in the protest, *J. Lewis Cromer, Protestant, vs. Walter J. Bristow, Jr., Defendant.* Mr. J. Lewis Cromer was represented by Mr. William F. Able, Esq. and Mr. Walter J. Bristow, Jr., was represented by Mr. C. Heyward Belser, Esq.

A transcript of the testimony and proceedings in the hearing was transcribed by Dorothy H. Badger, Court Reporter.

The hearing was then recessed until 9:30 a.m., December 8, 1972.

The hearing reconvened at 9:30 a.m. on December 8, 1972 and recessed that afternoon until December 18, 1972 at 10:00 a.m.

The hearing reconvened on December 18, 1972 at 10:00 a.m. and recessed that afternoon until December 19, 1972 at 10:00 a.m.

The hearing reconvened on December 19, 1972 at 10:00 a.m. and recessed that afternoon until December 20, 1972 at 2:00 p.m.

The hearing reconvened at 2:00 p.m. on December 20, 1972 and recessed that afternoon until December 21, 1972 at 10:00 a.m.

The hearing reconvened at 10:00 a.m., December 21, 1972, and after the completion of all testimony, the State Board of Canvassers recessed until further call of the Chair.

The State Board of Canvassers recessed for a luncheon break at 1:00 p.m.

The State Board of Canvassers reconvened at 2:00 p.m. and completed the canvassing of the challenged ballots.

After the challenged ballots had been canvassed, Mr. Cromer's vote total increased by two (2) votes and Mr. Bristow's vote total increased by four (4) votes.

The State Board of Canvassers then examined each ground of protest in the Amended Protest and the testimony relating to such ground, and reported their findings in each instance. A copy of the findings is hereby incorporated into and made a part of these Minutes.

The State Board of Canvassers then recessed until Monday, January 22, 1973 at 10:00 a.m.

**Monday, January 22, 1973**

Mr. Callison called the meeting to order and passed around to each Commissioner a copy of the findings in the *Cromer vs. Bristow* protest. The original copy of the findings was signed by each Commissioner as a member of the State Board of Canvassers of South Carolina.

The Commissioners then certified Walter J. Bristow, Jr., as elected to the office of State Senate, Seat No. 1, District No. 7.

Mr. Morris moved that the Board of State Canvassers, having made its findings in connection with the matter of *J. Lewis Cromer vs. Walter J. Bristow, Jr.*, adjourn sine die and go into session as the State Election Commission.

The motion was seconded and adopted unanimously.

STATE OF SOUTH CAROLINA)

ORDER

COUNTY OF RICHLAND )

IN RE: APPEAL FROM COUNTY BOARD OF CANVASSERS OF AIKEN COUNTY, JOHN D. LOWERY, APPELLANT.

The Appeal in the above — captioned matter was heard by the Board of State Canvassers on Wednesday, November 22, 1972 in the offices of the Board of State Canvassers, Columbia, South Carolina. At this hearing, arguments were heard by counsel on behalf of the appellant, John D. Lowery, and Mrs. Irene Rudnick. Upon consideration of the facts as contained in the official transcript of record of a hearing held on November 16, 1972, and certified by the Aiken County Board of Canvassers, and arguments of counsel, the following are the findings of fact and conclusions of law of the Board of State Canvassers in this matter:

1. That a recount of the votes for House of Representatives in the November 7, 1972 General Election between the appellant and Mrs. Irene Rudnick reflect that the appellant received 12,859 votes and Mrs. Irene Rudnick received 12,872 votes.

2. That eighteen (18) persons were permitted to vote whose names were not on the official list of registered voters and these eighteen (18) votes were not counted but put in separate envelopes and appropriately identified.

3. That four (4) voters attempted to vote in the election in person at their precinct who had requested absentee ballots from the Aiken County Election Commission. These voters did not obtain a certification in writing from the County Election Commission to the effect that their absentee ballots had been returned to the Commission unmarked.

4. That ten (10) voters in various precincts in Aiken County voted and their ballots were challenged for one or more reasons, placed in challenged envelopes, appropriately marked and have not subsequently been counted.

5. That the Aiken County Board of Canvassers did not consider or count any of the above thirty-two (32) ballots at its first meeting after the election held on Thursday, November 9, 1972.

6. That the eighteen (18) votes of those voters whose names were not on the official registration lists shall not be counted due to the failure of st

voters and managers of the election to comply with the provisions of Sections 23-100 and 23-400.51:1 of the 1962 South Carolina Code of Laws, as amended.

7. That the four (4) absentee ballots shall not be counted for those voters who did not obtain a written certification from the County Election Commission that their absentee ballot had been returned to the Commission unmarked, as required by Section 23-450.3 of the 1962 South Carolina Code of Laws, as amended.

8. That the ten (10) ballots of voters whose ballots were challenged and the challenger or witnesses on behalf of the challenger did not appear at the first meeting of the County Board of Canvassers held on Thursday, November 9, 1972, as required by Section 23-400.61 of the 1962 South Carolina Code of Laws, as amended, be immediately counted by the Aiken County Board of Canvassers and the votes added to the totals of the respective candidates.

9. That Mrs. Irene Rudnick is hereby declared elected inasmuch as the above ten (10) votes ordered to be counted would not affect the ultimate outcome of the election even should all ten (10) votes be added to the vote totals of the appellant, John D. Lowery.

## I. STATEMENT OF PROCEEDINGS ON PROTEST

This matter comes before the Board of State Canvassers upon the protest of J. Lewis Cromer, Protestant. The Protestant served his "Notice and Protest of General Election of November 7, 1972" on the Board of State Canvassers on or about 11:00 A.M., November 25, 1972, being the fifth day following the certification of the results of the election for State Senate, Seat No. 1, District 7, by the Board of State Canvassers, which certification by the Board of State Canvassers was based upon the certification of the Board of County Canvassers for the counties of Chester, Fairfield and Richland, following a recount of the votes of said District for Seat No. 1 of the State Senate.

The General Election was held on November 7, 1972, for the office of State Senate, Seat No. 1, District 7, as well as for other offices, said election being the general election for various offices. The Board of Canvassers of the three (3) counties of the District certified the results of the election for said office as well as other offices and questions voted on in the General Election on November 7, 1972. The certification of the respective County Board of Canvassers of the counties of Chester, Fairfield, and Richland showed that a total of 67,957 votes were cast for the office of State Senate, Seat No. 1, District 7; and that Walter J. Bristow, Jr., was the winner in the election by thirty-seven (37) votes. Accordingly, the State Board of Canvassers, who had only a ministerial duty at this point in the election, canvassed the results of the election based upon the certification of the respective County Board of Canvassers of the counties making up the District.

The canvass reflected that the votes for the candidate, Walter J. Bristow, Jr., did not exceed the votes received by the Protestant, J. Lewis Cromer, by more than one (1%) per cent of the votes cast for such office. Under the provisions of Section 23-476.3 of the 1971 Cummulative Supplement of the

Code of Laws for South Carolina for the year 1962, a mandatory recount was necessary; therefore, the Board of State Canvassers on November 16, 1972, ordered a recount of the votes.

In the meantime, the Protestant had secured a Court Order of the Court of Common Pleas for Richland County requiring that the ballots and certain election materials in the election be impounded and held by the South Carolina Law Enforcement Division in its offices in Columbia, South Carolina. The recount ordered took place at the offices of the South Carolina Law Enforcement Division. Among others present for the recount, were Protestant or his representatives and members of the Chester, Fairfield and Richland County Boards of Canvassers. Also, an official or officials of the South Carolina Law Enforcement Division were present and Mr. James B. Ellisor, Executive Director of the State Election Commission, and an Assistant Attorney General of the Attorney General's Office were present and advised during the recount. The League of Women Voters rendered valuable service in recounting the ballots. The difference between the Respondent and the Protestant after the recount was twenty-three (23) votes.

In the original grounds contained in the Protestant's Notice and Protest of General Election of November 7, 1972, the Protestant listed fifty-five (55) items as grounds of his protest. At the request of Protestant the hearing on the protest was set for December 7, 1972, at 10:00 A.M., the Protestant having asked that the hearing not be had before that date, due to the fact that his Attorney, Mr. William F. Able, had to be present in the trial of a case in the Court of Common Pleas for Lee County, which had already been scheduled.

On November 30, 1972, the Respondent, Walter J. Bristow, Jr., through his attorneys, Belser, Belser, Baker & Barwick, by Clinch Heyward Belser, served his Notice of Motion objecting to the Protestant's Notice and Protest of the General Election on November 7, 1972, on the following grounds:

1. "Said Notice and Protest does not set forth the grounds thereof as required by law and in that it is difficult for the Board to conduct a fair hearing with respect thereto or for said Walter J. Bristow, Jr., to prepare a defense thereto."

2. "The aforesaid objection is based upon the grounds that the allegations of the aforesaid Notice and Protest are couched in vague general terms and allege violations with reference only to sections of the statutory law of this State; that in numerous instances a code section is given followed by the words "et seq." (Paragraphs 1, 2, 4, 9, 10, 11, 12, 15, and 16); that in many instances no county is specified for the alleged violation (paragraphs 33-37, 43-45, 49-52 and 55); that in only a few instances is any

precinct specified; that in no instance is the name of any individual specified."

3. "That the Notice and Protest alleges in Paragraphs 41 and 43 matters which, even if established, would not be violations of the election laws but would be failures to comply with various impoundment orders obtained upon petition of Protestant, and Walter J. Bristow, Jr., respectfully submits that the same are irrelevant to this proceeding and that relief, if any, to which Protestant is entitled is not with this Board."

4. "Matters and things of which protest is made and which could have been challenged at the time the voter presented himself to vote or at the time when the absentee ballot of such voter was presented for counting and which were not challenged at said times respectively, are not available as grounds for protest or contest at this time, and that evidence in support thereof cannot be received at any hearing that might be held pursuant to said protest and contest."

At the beginning of the hearing on December 7, 1972, the first thirty-two (32) items of the Protestant's Notice and Protest of General Election of November 7, 1972, were stricken by the Chairman as being too general and really not setting forth any grounds for a protest. The Chairman then ruled that some of the other grounds of the Protest were not in detail enough to stand as grounds for a protest, but the Protestant asked to be allowed to amend his original Protest and proffered his "Amended Notice and Protest of General Election of November 7, 1972", in which Amended Notice and Protest he set forth twenty-nine (29) grounds. The Amended Protest was allowed, except that no really new matters not contained in the original grounds of protest were allowed. Items twenty-two (22), twenty-three (23), twenty-seven (27), and twenty-nine (29) of the Amended Notice and Protest were stricken and so much of Item Twenty (20) as alleged, "that there was improper assistance given to voters by poll managers in Columbia in Ward 9." It was ruled by the Chairman that these constituted new matters not contained in the original Protest and were not allowed. These items were taken up with the respective members of the Board of State Canvassers and the Board agreed that such new items should be stricken. Also, Protestant was allowed to amend paragraph 2 of his amended Protest by striking the name Chester and inserting in lieu thereof the word Fairfield.

The Respondent on December 6, 1972, served a Notice of Motion objecting to the Protest on the following grounds:

1. "Objects to and does hereby move to dismiss, discharge and disallow the protest of J. Lewis Cromer to the General Election of November 7, 1972, for Senate Seat No. 1, District 7, upon the ground that the said protest comes too late, the same not being filed in writing with the Chairman

of the Board by noon of the fifth day following the canvassing of the votes for such office by the Board."

2. "The State Board of Canvassers has canvassed the votes for Senate Seat No. 1 in Senatorial District No. 7, and by its Order dated November 16, 1972, ordered a recount between Walter J. Bristow, Jr., as the candidate who had been, by the greatest number of votes, declared elected to the office, and J. Lewis Cromer, as the candidate not declared elected, on the ground that the difference in votes between the two such candidates was not more than one (1) per cent of the total votes cast for such office therein. The Notice and Protest filed by J. Lewis Cromer was not filed with the State Board of Canvassers until November 27, 1972, a date more than five (5) days after the date of the canvassing of the votes for such office and the Order dated November 16, 1972, declaring the results thereof."

This Motion was overruled by the Chairman who held that a mandatory recount was necessary according to law and that the Notice and Protest of the General Election on November 7, 1972, was filed before noon on the fifth (5th) day following the certification of the recount in this matter.

The Richland County Election Commission served on the Board of State Canvassers through its attorney, Frank Sloan, a Notice and Petition to intervene as a party Respondent and the Answer of the Richland County Election Commission on December 5, 1972. The Chester County Election Commission filed a Notice and Petition to intervene as a party Respondent on the morning of December 7, 1972, just at the beginning of the hearing. The Petition and Motion of the Richland County Election Commission and Chester County Election Commission were disallowed on the grounds that neither was a necessary or proper party to the Protest and Amended Protest, the Protest being really a matter between the Protestant and the Respondent.

On the morning of December 7, 1972, the taking of testimony began. This was over the repeated and continuous objections of the Respondent, who repeatedly reasserted his grounds of objections and his motions that the Protest and Amended Protest be dismissed and were not allowable in the circumstances on the grounds as set forth. However, the Chairman ruled with the approval of the Board that testimony would be taken, with certain items being stricken as referred to above. Only those items that were felt that Respondent was informed of would be heard in the beginning of the hearing for the reason that Respondent had only seen the Amended Protest on the morning of the 7th of December at the very beginning of the hearing. The hearing continued on December 8, 1972, when the Board recessed until Monday, December 18, 1972. At the beginning of the hearing on the 18th day of December, 1972, Respondent served his "Response to Amended Notice and Protest of General Election," which was accepted from the

standpoint of being timely. This Response of the Respondent set forth, among other things, the following:

1. "With respect to Paragraph 12 of the Amended Notice and Protest, relating as more particularly stated therein to persons allegedly voting in Ward 9 of Richland County who were not at that time legally registered voters or residents of the precinct, Walter J. Bristow, Jr., restates his position as outlined in his Notice of Motion dated November 30, 1972, that the matters and things of which protest is made and which could have been challenged at the time the voter presented himself to vote and which were not challenged at said time are not available as grounds for protest or contest at this time, and that evidence in support thereof cannot be received at this hearing."

2. "The undersigned, Walter J. Bristow, Jr., further respectfully submits that if evidence is received by the Board of State Canvassers with respect to such persons allegedly voting in Ward 9 of Richland County and the Board of State Canvassers should fail to rule that the vote of such persons cannot be treated as an illegal vote, Walter J. Bristow, Jr., through his undersigned counsel, will offer evidence thereafter to show that, in the same way and to approximately the same extent as in Ward 9, persons voted in other wards and precincts of Richland County who were no longer residents of the wards and precincts at which they presented themselves to vote, and that in other counties and in other Senatorial Districts in South Carolina the practice is widespread whereby persons registered to vote in one precinct move therefrom, fail to notify the appropriate election officials of said move and thereafter present themselves to vote in the ward or precinct from which they moved."

3. "One purpose of the aforesaid offer of evidence will be to show that if it should be held to be permissible to challenge the right of a voter to vote after he has presented himself to vote and the statutory time for challenge shall have passed, there can be no finality in the election process and that every election, or nearly every election, will be subject to being upset, and that if the votes of such persons should be subtracted from the number of votes received by the candidates who carried the various wards and precincts, respectively, the result of the election would not be changed."

The Respondent opposed the Protest on grounds set forth above herein and on further grounds which are set out in the record, but which are not set out here.

The Board at that time, as it had done throughout the proceedings, advised both Protestant and Respondent that the Board would take the testimony relative to the Amended Protest, but that the Board would withhold its decision on whether or not a challenge had to be made of

election day during the progress of the election before a protest could be lodged by the Protestant or anyone.

The hearing then went forward and testimony was taken on the 18th, 19th, 20th, and 21st of December, 1972, with the Board recessing from day to day until at the end of the hearing on the 21st day the Board recessed upon call of the Chairman pending the typing and organization of the record. Upon the close of the taking of testimony, Protestant, who is an attorney, and the attorney for Respondent, made arguments.

## II. JURISDICTION AND POWERS OF THE BOARD

The Board of State Canvassers has no judicial authority except for jurisdiction in a very limited area, such as, whether or not an elector is a resident of a particular precinct. This represents mainly a question of fact. The Board cannot declare an election invalid or order a new election. Section 23-476 of the Code of Laws of South Carolina for the year 1962, provides as follows:

"*Board to declare persons elected and decide contested cases.* Upon such statements the Board shall then proceed to determine and declare what persons have been, by the greatest number of votes, duly elected to such offices or any of them. The Board shall as judicial officers decide all cases under protest or contest that may come before them on appeal from the decisions of the county board of canvassers."

By Act No. 955 of the Acts & Joint Resolutions of the State of South Carolina for the year 1968, the State Board of Canvassers was changed from the five constitutional officers to the members of the State Election Commission. The said Act No. 955 further amended Section 23-476 of the Code of Laws of South Carolina for the year 1962, above quoted, by striking out the Board acting as "judicial officers" so that Section 23-476 of the 1962 Code is now amended to read as follows:

"Section 11. Duties of board. — Section 23-476 of the 1962 Code is amended to read as follows:

'Section 23-476. Upon such statements the Board shall then proceed to determine and declare what persons have been, by the greatest number of votes, duly elected to such offices or any of them. The Board shall decide all cases under protest or contest that may come before it on appeal from the decisions of the boards of county canvassers.'

COMMENT: This section has been amended to delete reference of the board acting as judicial officers."

The duties of the State Board of Canvassers, therefore, are those with reference to canvassing the ballots and it is not the duty of the Board to prosecute violations of the law or to exercise judicial functions. In the event

that a protest is brought in the general election, the Board of State Canvassers does, however, have the authority and the responsibility to examine the Statement of Canvass and Return of Votes and to go behind the Statement of Canvass, but only on the grounds based in the Protest, to determine if the votes cast, were, in fact, the actual votes cast in the election and whether or not any of the votes cast were illegal.

Inasmuch as the General Assembly has removed judicial authority from the Board of State Canvassers, the Board now serves basically as a fact finding body.

## III. REFERENCE TO LAWS AND CASES BEARING ON ELECTIONS

1. "Errors which do not appear to have affected result of election will not be allowed to overturn the election, and every reasonable presumption will be indulged in to sustain the election. — *Berry v. Spigner, 84 S.E. 2d 381, 226 S.C. 183.*"

"Even though circumstances may be such as to subject election officers to punishment, their misconduct or irregularities will not justify rejection of whole vote of precinct where it does not appear that result was affected thereby, since voters who have done all in their power to cast their ballots honestly and intelligently are not to be disfranchised because of an irregularity, mistake, error, or even wrongful act which does not prevent a fair election and in some way affect the result."

2. "Errors which do not appear to have affected the result will not be allowed to overturn an election, and every reasonable presumption will be indulged to sustain it. — *Bolt v. Cobb, 82 S.E. 2d 789, 225 S.C. 408.*"

3. "In an election contest, the ballots themselves constitute the highest and best evidence of the will of the voters. — *Redfern v. Board of State Convassers of South Carolina.*" 234 S.C. 113, 107 S.E. (2d) 10.

## IV. FINDINGS

We come now to the consideration of the grounds of the Amended Notice and Protest of General Election on November 7, 1972, and testimony concerning same.

A. Grounds 1, 2, and 3, in substance, alleged the illegal and unauthorized signing of the poll lists by persons other than the voters and the failure to require every voter to sign the poll lists in certain precincts in Chester, Fairfield, and Richland Counties. These three grounds will be treated together.

The Protestant presented an expert witness to show that in many instances the poll lists in the precincts set out in the protest were not signed

by the voters. In fact, by direct testimony it is shown that a student of Winthrop College, 20 years of age, signed the poll lists of the voters in the Blair Precinct of Fairfield County and that she was not administered the oath of office as an election official.

It is not necessary to go into detail in each of the instances, but on examination of the witnesses it appeared that with the exception of the Blair Precinct in Fiarfield County, that in practically all instances where some person other than the voter signed the poll, the poll lists were signed with authority by husband for wife, wife for husband, or by a relative signing for another relative, or by some person signing for a disabled person.

It is also true that the testimony shows in most instances where a person other than the voter signed for the voter, such was not authenticated by an X mark on the poll list and properly witnessed by a poll manager. On the other hand, there was direct testimony from various electors who voted in the election who testified for the Respondent that they voted in the election and that the signatures on the poll lists were their genuine signatures. So, there was some direct testimony in some instances which contradicted the testimony of the expert witness. There was testimony presented by various witnesses who were present during the voting on election day who testified that the electors whose names appeared on the poll lists in fact voted. One of the managers of the Blair Precinct testified that he was present from the opening of polls to the closing of polls except for approximately one-half hour during lunch and that during the time that he was present, the persons voting were those whose names were on the voting lists and placed there while he was present. He testified further that he knew the voters.

We find from the testimony that even though there were these irregularities that the testimony does not show that the ballots actually cast and counted were not those of the respective voters of the precincts who voted, and we find that such does not affect the results of the election so far as the number of votes cast and counted.

B. As to Paragraph 4, what we have said with reference to 1, 2, and 3 above in Paragraph A is applicable to this ground of the Protest and we so find.

C. As to Paragraph 5, the facts clearly show that the absentee ballots in Fairfield County were counted, tabulated and reported in accordance with the statutory requirements of the law in South Carolina. In this instance, there is no evidence that the absentee ballots counted are not the absentee ballots cast in the election; and that, therefore, the irregularity or violation of the law as alleged would not, in fact, alter the number of absentee ballots cast in the election and counted, and, therefore, does not affect the results of the election.

D. As to ground 6, relative to the failure to have the name of Samuel T.

Sanders, Jr., certified candidate of a political party, on the absentee ballot in Fairfield County, we find that this involves a question of law. The fact that his name was left off of the absentee ballot in Fairfield County would not change the results of the election.

E. As to Paragraph 7, which, in substance, alleges at the commencement of the counting and tabulating of ballots in Chester and Fairfield Counties when the polls were not closed and done in secret by members of the Election Commission, the evidence fails to show that the counting and tabulating was done in secret. As to Fairfield County, this allegation was covered in Paragraph C above. In Chester County, it appears that the counting and tabulating were done in open where such could have been seen. It does appear, however, that the count and tabulation was begun about 4:00 P.M. before the polls were closed at 7:00 P.M. These are matters of law and we do not find that such action changed the results of the election. It appears that the votes cast were the votes counted and reported.

F. As to ground 8, which charged in substance improper approval and counting of specific absentee ballots in Chester, Fairfield and Richland Counties, there is no question but that there are some instances where voters signed the voter's oath in the wrong place and the oaths might not have been signed by an officer authorized to administer oaths. These involved questions of law, but we find, from a factual standpoint, that there is no evidence that such actions affected the number of ballots cast, counted and reported; therefore, such actions did not change the results of the election. We do find that there was one absentee ballot return envelope (on which the voter's oath is printed) on which no voter's name appeared anywhere, and this ballot cannot be counted in accordance with Section 23-499.6 of the 1962 South Carolina Code of Laws, as amended, and must be deducted from the votes received by the Respondent, who received the greater number of votes in the election.

G. As to Paragraph 9, which in substance charges failure to provide a place of security for absentee ballots in Richland County, etc., and which charges such actions resulted in an additional thirty (30) to forty (40) absentee ballots, the great majority of which it was alleged were for Walter J. Bristow, Jr., we find that the absentee ballots were not handled in such a manner as to cast doubt on the number of absentee ballots and the manner in which they were counted and tabulated. In fact, the testimony shows that the thirty (30) to forty (40) additional absentee ballots turned out to be thirty-eight (38) absentee ballots and, of this number, the Protestant received twenty-three (23) and the Respondent received only fifteen (15).

H. As to Paragraphs 10 and 11, which refer to there being eleven (11) more names on the public counters of the machines in Ward 9 and one more in Ward 8 in Richland County than appear on the respective poll lists for

such precincts, the evidence appears to substantiate these facts. However, this is beyond the authority of the Board. Although there is a statute (Section 23-400.94, Code of Laws of South Carolina, as amended), which establishes a procedure when excess paper ballots are found, there is no such law governing excess ballots found on voting machines. In the absence of clear legislative intent to extend such a procedure to voting machines, the State Board of Canvassers, which is without judicial authority, must presume that these ballots are valid unless the contesting candidate proves actual fraud. The Protestant did not allege fraud and there was no evidence of such fraud.

I. As to Paragraph 12, which alleges in substance that numerous voters voted in Ward 9, Richland County Precinct, who at the time were not legally registered voters or did not reside in the precinct within one month prior to the election in question, we make the following comments:

1. The Respondent has repeatedly set forth that no challenges have been made concerning these voters and that the protest on this ground, particularly, should be dismissed. The Respondent cites 23-400.60 and 23-400.61 of the 1972 Cummulative Supplement of the Code of Laws of South Carolina for the year 1962, which bear respectively on "prevention of illegal voting or taking too much time," and "challenging voters and procedures when voter challenged," in support of his position.

2. Respondent takes the further position that even if there is some doubt about the election by an elector not living in Ward 9, but voting there on election day, it is shown that such elector lived in Richland County and the vote should be counted. It was a vote for a particular candidate in the same county and Senatorial District.

There is no evidence of any elector voting in Ward 9 that was not registered there. The Protestant produced evidence to show that some electors lived out of Ward 9 but voted there. We conclude from the evidence that all voters complained about who voted in Ward 9 and were alleged not to reside in Ward 9 were registered in this precinct.

We find that, as a fact, it is the law in South Carolina that a candidate must, as a condition precedent, challenge a person's right to vote on election day in order to later protest an election on the ground that the voter was not qualified to vote in the election. If such challenge is not made on election day, it cannot later be raised as a ground of protest. Of course, this is true only as to those matters that were actually known by the protesting candidate or could have reasonably been discovered by the candidate prior to the closing of the polls on election day. We do not find that it is necessary to challenge on election day matters that could only be discovered after election day. We further find from the evidence as introduced by the Protestant that he was able, without much difficulty and within a very short

period of time, to investigate whether or not voters registered in Ward 9 in Richland County were, in fact, bona fide residents of Ward 9 and legally qualified to vote there. If the Protestant was able to acquire this knowledge and information within such a short period of time after the election, we find it only reasonable to conclude that he could just as easily have discovered these facts prior to the election and, therefore, could have initiated a challenge to the right of these voters to vote on election day. The laws of South Carolina provide that the registration records are public and available to all interested persons and, in fact, require the State Election Commission of South Carolina to furnish at a reasonable cost copies of the registration records to any registered elector. The lists of registered voters to be used in the general election were available to the Protestant within sufficient time prior to the election to afford him an opportunity to conduct the investigation with reference to persons registered in Ward 9 that he was able to conduct immediately after the election. The Board permitted the Protestant to introduce testimony and evidence in an attempt to prove that certain persons registered to vote in Ward 9 were, in fact, not residents of Ward 9, even though the right of these voters to vote on election day was not challenged on election day. A Protestant in an election has the burden of proving that voters who are registered in a particular precinct are not residents of that precinct. In South Carolina the law is clear that the intention of the voter is the controlling element as to what area constitutes his place of residence for purpose of voting. There is a very strong presumption that the precinct in which a voter is registered and votes is the place of his residence. The Protestant must prove by sufficient and convincing evidence that some place other than where the voter is registered and votes is the voter's residence. Of course, the best evidence of where a voter intends his residence to be is the testimony of the voter himself. Without the testimony of the voter, it is necessary to prove residency by surrounding facts and circumstances.

The Board of State Canvassers has examined very closely the testimony and evidence presented by the Protestant in this matter. There were a number of persons registered to vote in Ward 9 who were alleged by the Protestant not to be residents of Ward 9 on election day, and who were not called by the Protestant as witnesses and who did not testify before the Board of State Canvassers. The Protestant produced a witness who he qualified as a trained investigator who testified that he investigated where these voters resided. However, we do not find that the testimony of this witness establishes facts and circumstances sufficient to overcome the presumption that these persons were bona fide residents of Ward 9, which presumption arises from the fact that they actually voted in Ward 9 on

election day. The Protestant has not produced evidence that convinces the Board to the contrary.

The Protestant called to testify nineteen (19) persons who were registered to vote in Ward 9 Precinct in Richland County. One of these voters, Mr. Walter Shealy, refused to testify. Of the remaining eighteen (18) witnesses, we find that the Protestant has shown through the testimony of

Eatherine Sabb
Mary A. Brown
Della M. Tarrant
Luvenia A. Tarrant
Betty Bostic
Rosa Mathis
Julian Ford
Lewis Brewer, Jr.
Theodell McMillan

that these voters intended their residence to be outside of Ward 9 on the day of the general election and that they were not qualified to vote in Ward 9.

As to the other nine (9) persons who testified,

Rufus Jones
James Johnson
Mary Sims
Stanley Etheridge
Mark Johnson
Ruphine Deas
Joseph Harris
Edward Irick
Leila M. Dix

we find that the testimony shows that the Protestant has not sustained the burden of proof and that these persons were bona fide residents of Ward 9 on the day of the General Election.

J. As to 13, which alleges in substance violation in allowing the Chairman of the managers of Olympia Precinct in Richland County to work at the polls while drunk, allowing disruption to occur, voters to be intimidated, and voter security to be ignored and improper assistance rendered to voters, we do not find it necessary to determine whether or not the manager in question was drunk or drinking. This would in some manner have had to affect the results of the election. When witnesses testified they were asked whether or not they had had any voter complaints, they said not. There was a picture placed in evidence showing the manager in question standing behind a voter and witnesses further testified that they saw the manager put

his arm through the curtain and lean in. Whether or not this was to give instructions as to how to use the voting machines to the voter or otherwise is not clear from these witnesses. The manager, however, said that he simply was giving instructions as to how to use the voting machine to write in a name on a ballot. Anyway, the testimony is conflicting. There were witnesses for Protestant who testified as to some evidence of drinking alcoholic beverages on the part of the manager. The manager testified that he was taking medicine pursuant to doctor's orders and was not using alcoholic beverages. One of the other managers, a lady, said she saw no evidence of the manager drinking alcoholic beverages. The Chairman ruled out several questions of Protestant which he proffered in an effort to attack the creditability of the manager which the Chairman ruled out as not relevant. If the manager was drinking at the polls, then unquestionably he was out of order. On the other hand, this Board has the responsibility of canvassing the ballots cast in the election. Its responsibility is not to prosecute, but to ascertain and canvass the votes. There is no evidence that the votes cast were not counted and reported.

K. As to Paragraph 14, we have canvassed the challenged ballots and find that the number for Respondent was increased by four (4) and the number for Protestant was increased by two (2).

L. As to ground 15, charging that the absentee ballots in Chester County were not turned over to the South Carolina Law Enforcement Division for six days after the General Election and ground 16 alleging that two (2) boxes were not turned over until six days after the election, Respondent has taken the position consistently that such was not a violation of the election laws but was, if anything, in violation of the Court Order impounding the ballots. This is, in fact, correct, but we allowed the testimony to be received in order to determine whether or not these ballots were cast in the election and if they were what they were reported to be. There is no proof that these particular ballots were not the actual ballots cast in the election and counted.

M. As to ground 17, which alleges that 126 supposedly unused ballots in Centerville Precinct in Fairfield County were not accounted for, the evidence shows that these ballots were accounted for.

N. As to 18, which alleges in substance the failure to detach stubs from absentee ballots and failure to initial said stubs in the Counties of Chester, Fairfield, and Richland, again we find from the evidence that the ballots cast, counted, and reported were those actually cast in the election.

O. As to Paragraph 19, this would not change the actual ballots cast in the election. The ballots were counted in the presence of watchers and the method of handling and counting them was not objected to by persons present. The envelopes were attached to the back of the ballots contained in

the respective envelopes. Later the envelopes and ballots at the South Carolina Law Enforcement Division were separated pursuant to Order of Court. This was in connection with the recount. We find that there is nothing in the record that would change the number of votes cast, counted and reported.

P. As to 20, so much of this ground with reference to Ward 9 in Columbia was stricken. What is alleged in the remainder of 20 refers to Olympia Precinct in Richland County and what we have said in "J" above is applicable to this section.

Q. As to 21, with reference to absentee ballots, the request for absentee ballots and improper oaths, this is covered in "F" above in these findings. We find nothing alleged here not from the evidence to show that the ballots actually cast were not counted and reported.

R. As to 22 and 23, same was stricken as new matter.

S. As to 24, the allegations contained therein are not sustained by the evidence, as the only evidence is that the person who obtained an absentee ballot and voted in person returned the absentee ballot before voting.

T. As to 25, the record contains no testimony by any witness produced by either the Protestant or the Respondent that the poll managers in the Richburg Precinct of Chester County allowed anyone to vote in that precinct who was not properly registered and qualified to vote in that precinct. The Protestant offered in evidence a copy of the list of registered voters for the Richburg Precinct. Attached to this list of voters was a paper clipped note that was dated November 8, 1972, which indicated that a voter was permitted to vote in Richburg Precinct who was actually a registered voter of another precinct in Chester County. This note was not properly identified by the Protestant and the record contains no evidence as to who made this note. The very fact that it was dated November 8, 1972, clearly indicates that this information was not available to the managers on the date of the election, November 7, 1972. This Board can only assume that the managers followed the law and permitted no one to vote who was not entitled to vote. Absent any evidence to the contrary, this vote must be counted.

U. As to 26, with reference to the fact that in the Fort Lawn Precinct of Chester County three (3) persons were allowed to vote although the Board of Registration had no record of their registration, The Respondent called as a witness, Mr. A.L. McFadden, a poll manager of the Fort Lawn Precinct. On cross examination, this witness testified that he did not follow the procedure outlined in the election law which requires, when a voter's name has been left off the list of registered voters, that either the poll manager telephone the Board of Voter Registration to verify the eligibility of the voter or that the voter go in person to the office of the Board of Registration and obtain a certification in writing that he is a qualified voter in that precinct. The testimony of this witness is conclusive of the fact that the three (3) voters

whose names were not on the list of registered voters were not, in fact, qualified to vote in that precinct, and we find that these votes cannot be counted.

V. As to 27, this was stricken.

W. As to 28, this has been covered elsewhere in the findings and is too general to register as a sufficient ground. However, mention is made of the fact that the evidence shows that the Fairfield County Election Commission or Board of Canvassers was unable to complete the official certification of the results of the election in the required time, due to the fact that the election material had been impounded by Court Order on the morning of November 8, 1972.

X. As to 29, this was stricken.

As has been pointed out in the findings set out above, there have been certain irregularities and deviations by some election officials from the requirements of the election laws; however, these violations are not fatal to the election and in no way constitute fraud. On the most part, it would appear that most of these irregularities and deviations of the law by election officials are the result of inadequate training and instruction on the part of election officials. This Board does not in any way condone election officials intentionally or unintentionally deviating from the requirements of the election laws in South Carolina. On the contrary, this Board would recommend that all officials involved in the election process take every effort and opportunity to inform themselves of their duties and responsibilities under the law and make every effort to follow the law as closely as humanly possible at all times.

We find, based upon our findings as set forth above, that Respondent, Walter J. Bristow, Jr., received 32,572 votes and the Protestant, J. Lewis Cromer, received 32,551 votes. Even if the votes of the nine (9) persons who voted in Ward 9 and who were found not to be residents of that Ward on election day were deducted from the Respondent's total votes, this would not change the result of the election.

We therefore declare the Respondent, Walter J. Bristow, Jr., elected to the office of State Senate, Senate Seat No. 1, District No. 7 at the November 7, 1972 General Election.
