

SOUTH CAROLINA

ELECTION COMMISSION

CORRECTIVE ACTION PLAN

S.C. Code §7-3-25(A) authorizes the State Election Commission (SEC) to identify any compliance failures and establish and implement a corrective action to remedy such failures. Recommendations included in an SEC audit report require implementation of a corrective action plan (CAP) that is developed by the county and approved by the SEC's Audit Division.

#	REC #	RECOMMENDATION	CORRECTIVE ACTION	RESPONSIBLE PARTY	Jatavius Coleman
1	1	The Abbeville County Voter Registration and Elections Office should provide training to poll clerks on how to cancel voter participation if a voter chooses not to vote after checking in.	At the time of Clerk Training, this process will be explained on the steps to handle situations as such. The polling place will call the office and the office will dispatch a poll tech to go out to remove the voter from the list. This action will start with the next general election in 2025.
