

# AN IN-DEPTH REVIEW OF MARION COUNTY'S BALLOT RECONCILIATION WORKSHEETS FROM THE NOVEMBER 2022 GENERAL ELECTION

For the November 2022 General Election, 31% of Marion County's ballot reconciliation worksheets were completed, and a separate 31% were reconciled. Of the 69% of Marion County's worksheets that were partially completed, this was likely due to the lack of a requirement from the State Election Commission to fill every field, even if zero. For the 69% of worksheets that were not reconciled, adjustments to its poll clerk training and its ballot reconciliation worksheet review process may improve the reconciliation of these worksheets. Adequately completing and reconciling the ballot reconciliation worksheets for each polling location may give greater assurance that the results include all valid ballots cast.
