

AN IN-DEPTH REVIEW OF GEORGETOWN COUNTY'S BALLOT RECONCILIATION WORKSHEETS FROM THE NOVEMBER 2022 GENERAL

For the November 2022 General Election, 86% of Georgetown County's ballot reconciliation worksheets were completed, and 32% were reconciled. Of the 14% of the county's worksheets that were partially completed, this was likely due to a failure to follow the worksheet's instructions. For the worksheets that were not reconciled, adjustments to its poll clerk training and its ballot reconciliation worksheet review process may improve the reconciliation of these worksheets. Adequately completing and reconciling the ballot reconciliation worksheets for each polling location may give greater assurance that the results include all valid ballots cast.
