

AN IN-DEPTH REVIEW OF CHESTER COUNTY'S BALLOT RECONCILIATION WORKSHEETS FROM THE NOVEMBER 2022 GENERAL ELECTION

For Chester County's ballot reconciliation worksheets from the November 2022 General Election, 84% were completed, 16% were partially completed, 79% were reconciled, and 21% were not reconciled. Partial completion on some worksheets was likely due to the lack of a requirement from the State Election Commission to fill every field, even if zero.

For the worksheets that did not reconcile, this was due to not accounting for unused hand-marked paper ballots and electronic pollbook connectivity issues. Adequately completing and reconciling the ballot reconciliation worksheet will give greater assurance that all valid ballots cast have been included in the election results.
