

AN IN-DEPTH REVIEW OF KERSHAW COUNTY'S BALLOT RECONCILIATION WORKSHEETS FROM THE NOVEMBER 2022 GENERAL ELECTION

For the November 2022 General Election, 63% of Kershaw County's ballot reconciliation worksheets were completed and 33% were reconciled. On the worksheets considered partially completed, this was due to the lack of a requirement from the State Election Commission to fill every field, even if zero. For the 67% of the county's worksheets that were not reconciled, this was due to a number of different factors, including legibility and technical issues. Adequately completing and reconciling these worksheets for each polling location may give greater assurance that all valid ballots were included in the election results.
