

AN IN-DEPTH REVIEW OF MCCORMICK COUNTY'S BALLOT RECONCILIATION WORKSHEETS FROM THE NOVEMBER 2022 GENERAL

For McCormick County's ballot reconciliation worksheets from the November 2022 General Election, 64% were completed, 36% were partially completed, 18% were reconciled, and 82% were not reconciled. Of the worksheets that were partially completed, this was partly due to the lack of a requirement from the State Election Commission to fill every field, even if zero. For the worksheets that did not reconcile, this was due to incompleteness, not counting and verifying blank ballot cards, not accounting for unused hand-marked paper ballots, and not using the paper poll list or counting signatures from the paper poll list. Adequately completing and reconciling these worksheets for each polling location may give greater assurance that all valid ballots were included in the election results.
