

AN IN-DEPTH REVIEW OF ORANGEBURG COUNTY'S BALLOT RECONCILIATION WORKSHEETS FROM THE NOVEMBER 2022 GENERAL

For Orangeburg County's ballot reconciliation worksheets from the November 2022 General Election, 64% were completed, and 39% were reconciled. For all except two of the county's worksheets that were partially completed, this was likely due to the lack of a requirement from the State Election Commission to fill every field, even if zero. Additionally, two partially completed worksheets were missing values for most of the worksheet. For the 61% of the county's worksheets that were not reconciled, this was due to ballot accounting issues, data entry issues, and incorrect addition. Adequately completing and reconciling the ballot reconciliation worksheets for each polling location may give greater assurance that the results include all valid ballots cast.
