

AN IN-DEPTH REVIEW OF SUMTER COUNTY'S BALLOT RECONCILIATION WORKSHEETS FROM THE NOVEMBER 2022 GENERAL ELECTION

For the November 2022 General Election, 66% of Sumter County's ballot reconciliation worksheets were completed, and 56% were reconciled. On the worksheets that were partially completed, this was, in part, due to a lack of a requirement from the State Election Commission to fill every field, even if zero.

For the 44% of worksheets that were not reconciled, this was primarily due to not accounting for hand-marked paper ballots, electronic pollbook connectivity issues, not using or counting signatures from the paper poll list, and worksheets that were not completed or not available. Adequately completing and reconciling the ballot reconciliation worksheets for each polling location may give greater assurance that the results include all valid ballots cast.
