If you registered to vote but did not submit a copy of the required identification with your application, you are required to present one of the following documents to complete registration before you will be permitted to vote:

- > Current and valid photo ID
- > Utility bill showing your name and address in your county
- > Bank statement showing your name and address in your county
- > Paycheck showing your name and address in your county
- > Government document (other than your voter registration card) showing your name and address in your county

Voting Process

1. ID Required to Vote

- | | |
|--|---|
| > SC Drivers License <ul style="list-style-type: none">- Includes standard license and REAL ID | > SC Voter Registration Card with Photo |
| > SC Department of Motor Vehicles ID Card <ul style="list-style-type: none">- Includes standard ID card and REAL ID- Includes SC Concealed Weapons Permit- Includes Temporary SC DMV Certificate | > Federal Military ID <ul style="list-style-type: none">- Includes all Department of Defense Photo IDs and Veterans Affairs Benefits Card |
| | > US Passport <ul style="list-style-type: none">- Includes US Passport ID Card |

The poll manager must compare the photo on the ID to the person presenting themselves to vote and verify the photo is of that person. If the poll manager disputes the photo is that of the person, the voter casts a provisional ballot.

2. Registration

The poll manager will check the voter's name and address against the voter registration list. If everything is correct, the poll manager will mark the voter registration list to give the voter credit for voting and ask the voter to sign the poll list.

3. Voters Without ID

If you have a reasonable impediment to obtaining Photo ID, you may vote a provisional ballot after showing your non-photo voter registration card. **A reasonable impediment is any valid reason, beyond your control, which created an obstacle to obtaining Photo ID. Some examples include:**

- > Religious objection to being photographed
- > Disability or illness
- > Lack of transportation
- > Any other obstacles you find reasonable

TO VOTE UNDER THE REASONABLE IMPEDIMENT EXCEPTION:

1. Present your current, non-photo registration card at the polling place.
2. Sign an affidavit stating why you could not obtain a Photo ID.
3. Cast a provisional ballot that will be counted unless the county election commission has reason to believe your affidavit is false.

If you do not have Photo ID and do NOT have a reasonable impediment to obtaining one, or simply forgot to bring your Photo ID with you to the polling place, you may still vote a provisional ballot. For your vote to be counted, you must provide a Photo ID to the county board of voter registrations and elections prior to certification of the election (usually Thursday or Friday after the election).

4. Party Declaration

If the election being conducted is a primary election, the voter must tell the election official in which party's primary they wish to vote.

5. Proper Secret Ballot

The voter will be directed to a voting booth where the voter may vote the ballot in secret.

6. Time Limit in Booth

Voters are entitled to as long as five minutes to cast a ballot. Voters must leave the voting booth promptly after voting.

7. No Re-Entry

Voters may not re-enter the voting booth after casting their ballot.

8. Observing the Election

Individuals may observe the election process but must follow the direction of the poll managers on duty at all times.

Casting a Provisional Ballot

1. A voter's ballot may be challenged if there is some question regarding the voter's qualifications. Voters who are challenged cast a provisional ballot. After the election, county election officials determine if a provisional ballot will be counted.
2. A poll manager must inform the voter that they will be voting a provisional ballot and that the county board of voter registration and elections will decide whether the ballot will count.
3. Once voted, the ballot must be placed in a provisional ballot envelope and sealed. The poll manager will record the reason for the challenge on the envelope. The voter must sign the envelope.
4. The voter will be given a ballot and allowed to vote the ballot in secret.
5. The voter must be provided notice of the date, time, and location of the provisional ballot hearing.
6. The voter may determine whether their ballot was counted by visiting [scVOTES.gov](https://www.scvotes.gov).
